Re: Letter of Endorsement

Dear Sirs.

Walnut Hill United Methodist Church has had four large, separate sections of our facility re-roofed by Allied Roofing over the last ten years. All of the projects have turned out to our satisfaction. Allied's first-rate work, quality, and craftsmanship have been to the degree that there have been no calls for adjustment or correction on any of the four projects. As a satisfied customer, I would recommend that prospective clients consider Allied Roofing as a preferred choice for roofing projects.
